Warm greetings from the beautiful cool sandy beaches of Penang, a tropical island famously known as the “Pearl of the Orient.”

I am happy to be invited to say a few words to the esteemed leaders and organizing committee members of the Santo Domingo Hollywood International Film Festival.

I am very proud to know that for the first time, Malaysia, my multinational and multicultural country, is represented among the mega-movie giants and super celebrities of the Hollywood Kingdom.

During this time of anxieties and lockdowns due to this devastating COVID-19, it is great to know the cinema world is doing a marvelous job by bringing laughter and joy, cheering the world with happiness.

As Governor of Penang, I congratulate the Chairman and his colleagues for hosting the Santo Domingo Hollywood International Film Festival and I am confident it will be a great success not only to the movie communities everywhere but to each and every one participating in this culturally significant event bringing the citizens of the world together.

As Governor of Penang, may I wholeheartedly welcome you to visit us and enjoy the delicious variety of foods, colonial architectural buildings, lush sceneries and warmth of our friendly people.

ONE TEAM, ONE DREAM ! SEE YOU SANTO DOMINGO HIFF !
